

DE 4000X PLUS

4 MOTORIZED ELECTRONIC BED

TRINODAL
PACESETTER FOR HEALTHCARE

PRODUCT CODE:

60005000015

CATEGORY:

Electronic Beds

PRODUCT DESCRIPTION

The **DE 4000X PLUS** is a fully motorized electronic hospital bed developed for long-term care and general ward applications.

Featuring electric backrest, knee-rest, height adjustment, Trendelenburg and reverse Trendelenburg movements, the bed supports both patient comfort and caregiver efficiency.

Its removable ABS mattress platform enhances hygiene and easy cleaning, while the integrated manual CPR function improves emergency usability.
