

DM 1000

MANUAL SEMI-FOWLER BED

TRINODAL
PACESSETTER FOR HEALTHCARE

PRODUCT CODE:

60001020001

CATEGORY:

Manual Beds

PRODUCT DESCRIPTION

The **DM1000** Manual Semi-Fowler Bed is designed to provide practical patient positioning, safety and reliable daily use in hospitals and healthcare environments.

Featuring manual backrest adjustment, the bed supports patient comfort during examination, treatment, recovery and hospitalization.

Its epoxy coated steel frame, aluminum top foldable side rails and HDPP head & foot boards provide durability, easy cleaning and long-term performance for healthcare use.
