

DM 3000

HEIGHT ADJUSTABLE FOWLER BED

TRINODAL
PACESETTER FOR HEALTHCARE

PRODUCT CODE:
60001020010

CATEGORY:
Manual Beds

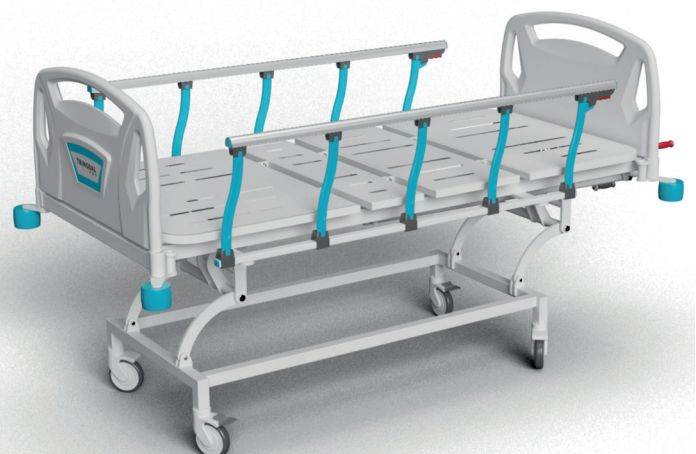

PRODUCT DESCRIPTION

The DM3000 Height Adjustable Fowler Bed is designed to provide reliable patient positioning, caregiver support and practical daily use in hospitals and healthcare environments.

Featuring manual backrest, kneerest and height adjustment functions supported by pneumatic assistance, the bed improves patient comfort while reducing caregiver effort during daily operation.

Its epoxy coated steel frame, aluminum top foldable side rails and HDPP head & foot boards provide durability, safety and easy cleaning for long-term healthcare use.
